Your Hair

"Two years ago my hair was falling out badly. I purchased a bottle of Ayer's Hair Vigor, and soon my hair stopped coming out." Miss Minnie Hoover, Paris, Ill.

Perhaps your mother had thin hair, but that is no reason why you must go through life with half-starved hair. If you want long, thick hair, feed it with Ayer's Hair Vigor, and make it rich, dark, and heavy.

FOR SALE—A fine thoroughbred Jersey cow and calf. Apply to J. B. Rogers, Beaver Dam.

Miss Ula Maddox, Point Pleasant, has a mild attack of typhoid fever, and it is hoped will not grow serious.

A series of protracted meetings is in progress at Shinkle Chapel church, and great interest is being manifested. Rev. Waltrip is delivering some telling sermons.

How about it, feeling pretty chilly? Well, come in and look at our overcoats. We have the long Raglan's and box coats of every good weave and color. Prices right. Come in and look.

Some men need a change of clothes this fall. Others need a change of clothiers. So if you do not trade with us, come and look at our \$10.00 suits and you will be convinced that you need a change of clothes and a clothier, too.

Mr. Sam Baird died at Pt. Pleasant Wednesday of typhoid fever. He had been sick several weeks. His remains were interred at the old Mill cemetery on No. Creek yesterday at 2 p.m. Funeral services were conducted by Rev. Waltrip. Mr. Baird was unmarried and about 33 years old.

The orders of Odd Fellows, Red Men and Rebekahs, will give a public entertainment at McHenry during the holidays. First evening, "A Noble Outcast," promises to be something elegant and should be patronized liberally by the public. Second evening will contain comedies which will be very interesting. It will all be rendered by home talent. A rare treat is promised for the holidays.

Mrs. Dud Plummer, living near Prentiss, was bitten by a spider Sunday morning, which is giving her serious trouble. The chances for her recovery are reported doubtful. Mrs. Plummer is a daughter of the late James Gentry and a very highly respected citizen. The bite of the insect may prove fatal.

Mr. E. P. Moore, a successful farmer living in the Northern part of the county, has a field of oats that present a novel appearance for this season of the year. The field grew a beautiful crop of oats this season and stood till very ripe and when cut with binder shattered freely. The field was plowed early for wheat which resulted in a second crop of oats almost as heavy as the first. However, the heads are lighter and the spectacle of a field of ripened oats late in November is a little more than remarkable.

Repairing Neatly Done

Never thought of such a sign for a medicine did you? Well, it's a good sign for Scott's Emulsion. The body has to be repaired like other things and Scott's Emulsion is the medicine that does it.

These poor bodies wear out from worry, from over-work, from disease. They get thin and weak. Some of the new ones are not well made—and all of the old ones are racked from long usage.

Scott's Emulsion fixes all kinds. It does the work both inside and out. It makes soft bones hard, thin blood red, weak lungs strong, hollow places full. Only the best materials are used in the patching and the patches don't show through the new glow of health.

No one has to wait his turn. You can do it yourself—you and the bottle.

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle. Send for free sample.

Mrs. Cora Patton Wilson, wife of Vince Wilson, Prentiss, died Wednesday of blood poisoning. Her remains were buried at Liberty yesterday at 11 a.m. in the presence of a large circle of friends and relatives. She had been sick about two weeks when summoned to quit the walks of life. She leaves a broken hearted companion and one child together with many friends to mourn her eternal absence. She was a most estimable woman, of very generous and kind disposition, and a devout member of the Methodist church.

Mrs. Carrie A. Williams, who has been in Crawley, La., for the past ten days prospecting, has purchased property and written for her children, Misses Bessie and Cecil, to follow her to her new abode in the Sunny South. The removal of this most excellent family from Hartford is quite a loss in social circles. Miss Bessie has been organist at the Baptist church the past year where she has displayed much talent. THE REPUBLICAN joins their many friends in wishing them the very greatest of happiness and prosperity in their new home.

Mrs. Malinda Tyrod died at the residence of her son, Mr. Pendleton Tyrod, east of town Monday, of a complication of diseases, among which old age played a conspicuous part. Mrs. Tyrod had been confined to her room during the past year unable to do work of any kind. She was very old, perhaps 75 or 80, and spent a life of very great activity. For many years she sold vegetables to the citizens of Hartford, thus making her support in this manner. She was a woman highly respected and fought life's battle bravely until old age served notice that the time of eternal rest had come.

Why Freddie overslept: His mamma thought some of our outings and made him a night robe so warm and comfortable that he fell into such sweet slumbers he never heard the alarm clock.

Mr. Geo. Rhoads died Tuesday at his home in Centertown after a prolonged attack of typhoid fever. Burial took place at West Providence cemetery Wednesday, Rev. D. J. K. Maddox conducted funeral services. Mr. Rhoads was a highly respected citizen, enjoying the esteem and good will of all who knew him. His loss will be greatly felt by the community of which he was a factor.

Tragedy at Paris.
Paris, Ky., Nov. 19.—William Williams was shot and instantly killed at 9 o'clock to-night by "Buck" Freeman, both negroes, in the latter's saloon.

All Stuffed Up

That's the condition of many sufferers from catarrh, especially in the morning. Great difficulty is experienced in clearing the head and throat.

No wonder catarrh causes headache, impairs the taste, smell and hearing, poisons the breath, deranges the stomach and affects the appetite. To cure catarrh, treatment must be constitutional—alterative and tonic. "I was afflicted with catarrh. I took medicines of different kinds, giving each a fair trial; but gradually grew worse until I could hardly hear, taste or smell. I then concluded to try Hood's Sarsaparilla, and after taking five bottles I was cured and have not had any return of the disease since." EUGENE SHERES, Lebanon, Kan.

Cures catarrh—it soothes and strengthens the mucous membrane and builds up the whole system.

loon on South Main street. Owing to the great excitement caused by the shooting, particulars of the killing are not accessible at this hour 9:15, but it is said that the difficulty arose over a gambling debt. Williams is said to have been under the influence of liquor when he and Freeman met. Buck Freeman is a barber and had but recently conducted a shop on North Main street. He is highly respected by both white and colored citizens in Paris. Williams had been employed in a grain warehouse and is said to have been very quarrelsome when drinking.

Gov. Beckham's Proclamation.

Frankfort, Ky., Nov. 18.—The Governor issued to-day the following: "Commonwealth of Kentucky, Executive Department—I appoint Thursday, November 28, 1901, as a day of thanksgiving and prayer throughout the commonwealth. It is fitting that on such occasions the people should pause and contemplate the wonderful growth and development of our country, and should give grateful thanks to Almighty God, who has so blessed and favored us. Not in a spirit of national arrogance or boastful supremacy, but in a humble and thankful recognition of Divine Providence, let us ask for a continuance of these blessings and bounties so generously bestowed upon us in the past, and let us show our gratitude, not alone by expressions of the mouth, but also by deeds of the heart in extending charity and kindness to the poor and needy among us. "In witness whereof I have hereunto set my hand and caused the great seal of the Commonwealth to be hereunto affixed. "Done at Frankfort this 18th day of November 1901, and the 110th year of the Commonwealth.

RIGHT UP TO DATE.

(Benson's Plaster is Pain's Master.) These are days of records and of the beating of records. Benson's Plaster, for quickness of action and thoroughness of cure, has no records to beat except its own. Benson's Plaster, always the best, always the leader, is today better than ever. It sticks to the skin but never sticks in its tracks. It marches on.

The people not only want to be cured but cured quickly—and Benson's Plaster does it. Coughs, colds, lumbago, asthma, bronchitis, liver and kidney complaints, and other ills approachable by an external remedy, yield to Benson's Plaster as ice does to heat.

Neither Belladonna, Strengthening or Opioid plasters are to be compared with Benson's. People who have once tested the merits of Benson's Plaster have no use for any other external remedy. More than 2,000 physicians and druggists (and a thousand times as many non-professional persons) have called Benson's Plaster one of the few (1) home remedies that can be trusted.

Fifty-five highest awards have been made to it in competition with the best known plasters of Europe and America. Better proof of its merit is inconceivable. Be sure to get the genuine.

For sale by all druggists, or we will prepay postage on any number ordered in the United States, on receipt of 25c. each. Seabury & Johnson, Mfg. Chemists, N.Y.

Death's Harvest.

The many friends of the Hon. R. M. Jolly and wife are deeply grieved and condole with them over the death of their beautiful daughter, Nannie, who died this week while at school at Roanoke, Va. The circumstances of her death are unusually sad. Leaving a bright home last September, she was full of the prospects before her in a new country. But Death, the Grim Reaper triumphed, her passing away is but one of the crosses we human beings are heir to from a higher power. The news as yet, has heard nothing of the particulars of Miss Jolly's death.—Breckinridge News
